DROP-IN PROGRAMS

Aquatics drop in programs are offered regularly and offer excellent opportunities for families, individuals and friends to get fit and have fun.

Recreation Swim

During recreation swim, enjoy access to our leisure pool and waterslide as well as limited access to our lap pool.

Lane swim

During lane swim our lap pool is available for adults, seniors and young adults to enjoy a work out, work or work on their strokes in leisure, medium and fast-paced options.

Aquababies

A drop in program, to allow new parents to come swim and socialize with other new parents. During this time there will be baby toys and music appropriate for the little ones.

Water Volleyball

The volleyball net will be set up in the lap pool on Friday evenings for pick-up water volleyball games. Balls will be available in the guard's office. Sub in as room allows, or if we have lots of players, the winning team stays on after each game. Teams should mix up ages where possible, so that everyone has a chance to play. No refs; just play fair.

Aqua Fit

Use water resistance and buoyancy to strengthen muscles and cardiovascular capacity in an easy-on-the-joints way. Modifications will be provided for participants to increase or decrease exercise intensity depending on individual goals.

Aqua Fit Deep

Use water resistance and buoyancy in the deep-end of the pool to strengthen muscles and cardiovascular capacity in an easy-on-the-joints way. Shallow end participation is also welcome.

Aqua Fit Lite

A lighter intensity Aqua Fitness class that focuses on gradually building endurance, strength and flexibility. Performed in our warm pool, Aqua Lite is a joint friendly exercise class that uses water resistance and buoyancy to move you towards your fitness goals.

SWIMMING WITH CHILDREN

As part of our pool safety strategy, we require all swimmers to adhere by our procedures:

- Swimmers **under 5 years old** must always be within arms reach of a guardian who is 16 or older. Each guardian can be responsible for a maximum of two swimmers under 5 at one time.
- Swimmers **5-9 years old** who want to swim away from a guardian or use the slide must complete a swim test including a 20 meter swim, 30 seconds of treading water and jumping into the deep end.
- Swimmers **10 years and older** can discuss their swimming experience and ability with our lifeguards to determine whether a swim test needs to be completed.

For a more detailed description of our swim admissions standards and our swim test please visit the Aquatics section of our webpage, www.ymcaneoe.ca.

REGISTERED PROGRAMS

Fun and learning make a great pairing in the YMCA's nationally recognized swimming lessons. Lessons will help swimmers develop confidence and skills to stay safe in and around the water.
