Wednesday May 20th, 2020

Dear Families, Parents, and Campers,

I am reaching out today regarding the Summer 2020 season at John Island Camp. In compliance with the Ontario Government update issued May 19, 2020, it is with incredible sadness that I inform you we will not be operating YMCA John Island Camp this summer. Though we are very sad about this decision we value the safety of our staff and campers and know that this decision was made to assure our shared wellbeing.

At this time we are still working through the details of refund options and will be following up in the coming week with more details.

Though we have been required to not offer traditional summer camp options we are still exploring other options that may be viable and safe during the COVID-19 pandemic. We will be releasing more information regarding these options once we know what will allow us to keep our staff and campers safe.

I am sorry to be delivering this unfortunate news and I thank you for your patience and understanding. If you have any questions we can be reached by phone or email.

Stay safe,
