Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that a staff at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The staff member last worked at the childcare centre Thursday December 30th.

A deep cleaning and disinfecting of the childcare centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,
