Dear YMCA Adamsdale Child Care Families,

Unfortunately, we were advised that two of our children and an educator in Family Grouping tested Positive on a Rapid Antigen Test at our Adamsdale location. The children and educator are currently isolating as per their personal situations, (i.e., positive RAT result, close contact of a symptomatic family member, etc.). All programs within Adamsdale will continue to operate at this time.

I want to reassure you that we will continue to keep you informed of any changes to the operation of our program.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

Barb Landriault
