

YMCA Northeastern Ontario

Wednesday January 19, 2022

Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that a child at our Chippewa Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The child was last in care Monday January 17, 2022 and will self isolate for 5 days. The child is in care in Preschool Room 2.

A deep cleaning and disinfecting of the childcare centre are underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me or Brittany the site Supervisor at 705-497-1915 x227

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
