

YMCA Northeastern Ontario

January 25, 2022

Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that a child at our YMCA, EW Norman Before and After School Program tested positive for COVID-19 on a rapid antigen test. The child was last in care Monday January 24th, 2022 and will self isolate for 5 days. The child was in care in the Before school program, only.

A deep cleaning and disinfecting of the childcare centre are underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me or Laura Lafontaine at 705-472-5534 x7612

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
