

YMCA Northeastern Ontario

January 31, 2022

Dear YMCA Child Care Families,

Unfortunately, we were advised that a staff member at our Poplar Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The person's last day at the centre was Friday, January 28th, 2022. The staff member mainly worked in our Preschool 2 classroom.

A deep cleaning and disinfecting of the child care rooms is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

Should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

A handwritten signature in black ink that reads "Courtney Berlinghoff".

Courtney Berlinghoff
Regional Manager, Timmins
