Thursday January 6, 2022

Dear YMCA Child Care Families,

Unfortunately, this afternoon we were advised that two of the children and one staff at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The children and staff were last in care today and will self isolate for 5 days.

A deep cleaning and disinfecting of the childcare centre are underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
