

YMCA Northeastern Ontario

Friday January 21, 2022

Dear YMCA Child Care Families,

Unfortunately, this afternoon we were advised that one of our school age children at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a PCR test. The child's last day attended was Wednesday, January 19 , 2022. Additionally, we were informed today one of our toddler staff tested positive for COVID-19 on a rapid antigen test. The staff's last day worked was yesterday, January 20, 2022. Both individuals are all self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
