Dear YMCA Child Care Families,

Unfortunately, this afternoon we were advised that one of our toddler educators at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a RAT test. The staff's last day attended was Friday, January 21, 2022. They are all self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact the supervisor at patricia.coates@ymcaneo.ca or 705-475-2320.

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
