

Friday January 21, 2022

Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that two of our school age children and one of our school age educators at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a RAT test. One child last attended on Thursday, January 20, 2022 and the other child and the staff's last day attended was Friday, January 21, 2022. They are all self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact the supervisor at [patricia.coates@ymcaneo.ca](mailto:patricia.coates@ymcaneo.ca) or 705-475-2320.

Thank you for your continued support, stay well.

Sincerely,

*Sherry Ricci*

Sherry Ricci, RECE
