

## YMCA Northeastern Ontario

Wednesday, February 2, 2022

Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that one of the staff in our school age program at our Woodland Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The staff last worked Tuesday, February 1, 2022. They are self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact the supervisor at [patricia.coates@ymcaneo.ca](mailto:patricia.coates@ymcaneo.ca) or 705-475-2320. Thank you for your continued support, stay well.

Sincerely,

*Sherry Ricci*
