Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that one of the children and one of our staff in our preschool rooms at our Woodland Early Learning Child Care Centre have tested positive for COVID-19 on a rapid antigen test. The child's last day attended was Friday, February 18, 2022 and the staff's last day worked was Friday, February 25, 2022. They are self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact the supervisor at patricia.coates@ymcaneo.ca or 705-475-2320. Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
