

February 8, 2022

Dear Parent and/or Guardian,

The YMCA of Northeastern Ontario, in keeping with our Charitable Purpose, Vision and Core Values, believes in the development of healthy, confident children. Our programs and services are unique because of our commitment to supporting children and families to ensure we provide the best possible care.

As a charity and non-profit association, we do our very best to try and keep our child care rates as low as possible. The contributing factors to increasing our child care fees include; cost of living increases, higher operational expenses (food, program supplies, equipment, etc.) and staff compensation that is fair and equitable.

Therefore, the following fee increase will take effect April 1, 2022, as noted below:

| Program | April 1, 2022 Increase |
|--|------------------------|
| Infant | \$ 58.50 |
| Toddler | \$ 48.00 |
| Preschool | \$ 44.00 |
| School Age | \$22.50 |
| School Age Flex Care (12 day min/month) *Currently offered at RH Murray | \$23.50 |

On behalf of the YMCA of Northeastern Ontario, I'd like to thank you for your ongoing support and understanding. Should you have any questions, please do not hesitate to contact me, or speak with your Child Care Supervisor.

Respectfully,

Barb Landriault
