Dear YMCA Lansdowne Child Care Families,

Unfortunately, we were advised that one of our Preschool Children tested Positive on a Rapid Antigen Test at our Lansdowne location. The child/ren are currently isolating as per their personal situations, (i.e., positive RAT result, close contact of a symptomatic family member, etc.). All programs within Lansdowne will continue to operate at this time.

I want to reassure you that we will continue to keep you informed of any changes to the operation of our program.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

*Barb Landriault*
