Dear YMCA Markstay Child Care Families,

Unfortunately, we were advised that a child and an Educator in our Family Grouping room tested Positive on a Rapid Antigen Test at our Markstay location. The child/ren are currently isolating as per their personal situations, (i.e., positive RAT result, close contact of a symptomatic family member, etc.). The Family Grouping room will operate as per usual and our Before and After program is currently closed until Friday, February 4<sup>th</sup>, 2022.

I want to reassure you that we will continue to keep you informed of any changes to the operation of our program.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

*Barb Landriault*
