

## YMCA Northeastern Ontario

February 25, 2022.

Dear YMCA Child Care Families,

Unfortunately, yesterday evening we were advised that two children at our YMCA, EW Norman After School Program tested positive for COVID-19 on a PCR test. The children were last in care Wednesday February 16<sup>th</sup>, 2022 and have been self-isolating for 5 days. The children were in care in the After school program, only.

A deep cleaning and disinfecting of the childcare centre has been completed.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me or Laura Lafontaine at 705-472-5534 x7612

Thank you for your continued support, stay well.

Sincerely,

*Sherry Ricci*
