Dear YMCA Vincent Massey Child Care Families,

Unfortunately, over the weekend and the last couple days we were advised that several of our staff would be unavailable to work due to COVID-19 related incidents that would require them to isolate as per the guidelines outlined by the Ministry of Education. Due to the number of staff in our programs that are required to isolate we had to make the decision to temporarily close the program.

Families will not be billed during this closure period and will receive a credit towards their next month's payment.

Given the isolation periods mandated from their personal situations, (i.e., positive RAT result, close contact of a symptomatic family member, etc.) at this time we are planning for our program to reopen on Monday February 14, 2022. Please note that these dates could change depending on additional staff and house hold members becoming symptomatic or contracting COVID-19.

I want to reassure you that we will continue to keep you informed of any changes to our reopening plans.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

*Ashley Boyer*
