

YMCA Northeastern Ontario

March 7th, 2022

Dear YMCA Child Care Families,

Unfortunately, this morning we were advised that a **Preschool 1 Child, Preschool 2 Child and 2 School Age Children** at our Chippewa Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The preschool 1 child was last at the center March 3rd and the preschool 2/School age Children were last at the center March 4th and will self-isolate for 5 days.

A deep cleaning and disinfecting of the childcare centre are underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact me or Brittany the site Supervisor at 705-497-1915 x 227

Thank you for your continued support, stay well.

Sincerely,

Sherry Ricci
