

## YMCA Northeastern Ontario

April 12, 2022

Dear YMCA Child Care Families,

We are continuing to see children and staff testing positive for COVID-19 at our Moore Street location. We have two positive cases in the preschool room. We ask that families continue to monitor children for symptoms of COVID.

We will continue to follow all direction from the public health unit and our COVID-19 response plan.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

Should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Berlinghoff".

Courtney Berlinghoff  
Regional Manager, Timmins
