

Monday April 18, 2022

Dear YMCA RH Murray Child Care Families,

Unfortunately, over the weekend we were advised that one of our staff would be unavailable to work due to COVID-19 related incidents that would require them to isolate as per the guidelines outlined by the Ministry of Education. Due to this situation, we have made the decision to temporarily close the Afterschool program.

Our Morning program will still operate as usual.

Given the isolation period mandated from their personal situation, (i.e., positive RAT result, close contact of a symptomatic family member, etc.) at this time we are planning for our afterschool program to open April 26th, 2022. Please note that these dates could change depending on additional house hold members becoming symptomatic or contracting COVID-19.

I want to reassure you that we will continue to keep you informed of any changes to our reopening plans.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

Barb Landriault
