AQUATIC WRIST BAND PROCEDURES

In order to swim out of arms- reach of a parent or go on the water slide, swimmers between the ages of 6-9 years will need to complete a short swim test. All patrons must adhere to our swim admissions standards which can be found on our website by visiting www.ymcaneoe.ca

SWIMMING WITH CHILDREN

As part of our pool safety strategy, we require all swimmers to adhere by our procedures:

- Swimmers **under 5 years old** must always be within arms reach of a guardian who is 16 or older. Each guardian can be responsible for a maximum of two swimmers under 5 at one time.
- Swimmers **6-9 years old** who want to swim away from a guardian or use the slide must complete a swim test including a 20 meter swim, 30 seconds of treading water and jumping into the deep end.
- Swimmers **10 years and older** can discuss their swimming experience and ability with our lifeguards to determine whether a swim test needs to be completed. If a child is 10 years and older and the lifeguards are concerned about their swimming capabilities, they may be asked to complete a swim test.

For a more detailed description of our swim admissions standards and our swim test please visit the Aquatics section of our webpage, www.ymcaneoe.ca.
