

August 2, 2022

Dear YMCA Child Care Families,

Unfortunately, we were advised that two staff members in our Summer Day Camp Program at our Poplar Location have tested positive for COVID-19 on a rapid antigen test. The staff were last in attendance on Friday, July 29, 2022. One staff member was in the **Mavericks** group and the other in the **Trailblazers** Group.

A deep cleaning and disinfecting of the child care rooms is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

Should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Berlinghoff".

Courtney Berlinghoff
Regional Manager, Timmins
