

November 3, 2022

Dear Parent and/or Guardian:

As you may be aware, the Canadian Union of Public Employees (CUPE) representing some of the education workers in the province is preparing for a potential work stoppage on Friday November 4<sup>th</sup> 2022. This will have no impact to our Chippewa Early Learning Child Care Centre, including the before and after school program. As such, our child care programs will remain open and continue to operate as per schedule.

Should anything change, we will be sure to communicate as soon as possible.

In closing, we understand this can be a stressful time for your family, please do not hesitate to contact us if you have any questions.

Thank you for your continued support and for choosing to place your child with the YMCA.

Respectfully,

*Sherry Ricci*
