Dear YMCA Child Care Families,

We wanted to communicate with you and inform you that we have had Multiple Educators at various locations test positive for Covid-19 this week. Policies and procedures are being implemented to ensure we are keeping our Children and Families safe.

I want to reassure you that we will continue to keep you informed of any changes to the operation of our program.

In closing, should you have further questions, please do not hesitate to contact me.

Thank you for your continued support, stay well.

Sincerely,

Barb Landriault
