

March 10, 2023

Dear Parent and/or Guardian,

The YMCA of Northeastern Ontario in keeping with our Charitable Purpose, Vision, and Core Values, believes in the development of healthy, confident children. Our programs and services are unique because of our commitment to supporting children and families to ensure we provide the best possible care.

To be able to continue providing quality, safe environments, the YMCA of Northeastern Ontario will be implementing a fee increase for our School Age Programs for children 6 years of age and older effective July 1, 2023. As we are always mindful in trying to keep our child care rates as low as possible, we must ensure we are fiscally responsible and are keeping up with the increased costs for food, program supplies, and health and safety requirements to ensure the delivery of high-quality, safe child care.

Therefore, the following fee increase will take effect July 1, 2023, for children 6 years of age and older as noted below:

| Program | July 1, 2023 Increase |
|---|------------------------------|
| Before and After School | \$23.25 |
| PD Days, School Breaks & Summer Club | \$40.25 |
| Extended PD Days, School Breaks & Summer Club | \$50.50 |
| Early AM (select sites) | \$ 10.00 |

On behalf of the YMCA of Northeastern Ontario, I'd like to thank you for your ongoing support and understanding. Should you have any questions, please do not hesitate to contact me, or speak with your Child Care Supervisor.

Respectfully,

Barb Landriault
