

2024 YMCA Child Care Fee Increase

February 1, 2024

Dear Parents and/or Guardians,

The YMCA of Northeastern Ontario in keeping with our Charitable Purpose, Vision, and Core Values, believes in the development of healthy, confident children. Our programs and services are unique because of our commitment to support children and families to ensure we provide the best possible care.

To be able to continue providing quality, safe environments, the YMCA of Northeastern Ontario will be implementing a fee increase for our School Age Programs for children 6 years of age and older effective April 1st, 2024. For children under 6 years of age, the Government of Ontario is absorbing the difference of this fee increase. As we are always mindful in trying to keep our child care rates as low as possible, we must ensure we are fiscally responsible and are keeping up with the increased costs for food, program supplies, and health and safety requirements to ensure the delivery of high-quality, safe child care.

Therefore, the following fee increase will take effect April 1st, 2024, for children 6 years of age or older as noted below.

Program	April 1, 2024 Increase
Before School Only	\$5.50
After School Only	\$11.00
Before and After School	\$11.00
PD Days, School Breaks & Summer Camp	\$22.00

On behalf of the YMCA of Northeastern Ontario, I'd like to thank you for your ongoing support and understanding. Should you have any questions, please do not hesitate to contact me, or speak with your Child Care Supervisor.

Respectfully,

Barb Landriault
