Lane Swim: Open to all lap swimmers. Go at your own pace with fast, medium, and slow lanes in our 25m Lap Pool. We ask participants to circle swim when necessary.

Open Swim: Relax and play with your family and friends in all four of our pools.

Family Swim: Come out with your little ones and enjoy our Splash, Leisure, and Therapy Pools during this time. Please note that the Lap Pool will not be available during Family Swim as other activities will be scheduled at these times.

Aquafit: A full-body workout that uses water resistance, pool noodles, and paddles to increase heart rate and work muscles. The water will help with joint stabilization and body weight support making this an ideal workout for anyone.

Aqua Running: A water-based running workout done while you are tethered to a lane rope. Ideal for all fitness levels and great for those who cannot sustain impact on their joints.

Hydrotherapy: This class will help with joint mobility by using gentle functional movement exercises. Spinal stabilization and postural awareness are the main objectives of this class. Great for arthritis, mobility issues and joint replacements.

Junior Lifeguard Club (JLC): Perfect for youth 10-13 years of age who thrive in an energetic learning environment. JLC keeps youth active in aquatics and helps to develop leadership in those aspiring to become lifeguards. The main program criteria will be based on the Bronze Star Program.
