## **Arriba: Max registration 30**

YMCA Arriba is a high energy dance-based fitness party where we focus on the 4 basic Latin rhythms – Salsa, Merengue, Cumbia and Reggaeton with a splash of Dance, Bollywood, Belly Dance, Hip Hop, and any other rhythm you can move your hips and feet to!

## **Forever Fit: Max registration 40**

A low impact class that uses a variety of exercises, tools, and stretches to strengthen your whole body. The intensity of this class is low to moderate and pairs strengthening exercises with both dynamic and static stretches.

## **Muscle Fit: Max registration 40**

YMCA Muscle Fit is a strength-based group fitness class designed to help participants develop muscular endurance and strength for an active lifestyle. Participants use a barbell and weighted plates to challenge their muscles throughout a choreographed strength routine taught to music. This challenging workout will result in stronger, more defined muscles and is sure to boost even the most sluggish metabolism.

## **Strength Fit: Max registration 40**

Challenge and strengthen yourself in this class by using a variety of equipment and your own body weight. You will work all major muscle groups to strengthen your whole body.

## **Strength and Flexibility: Max registration 25**

This class is a gentle, low-impact session designed to improve overall flexibility, mobility, and range of motion while promoting relaxation and body awareness. Suitable for all fitness levels, this class helps participants release tension, enhance posture, and reduce the risk of injuries.

## **TRX®: Max registration 17**

Make your body your machine! TRX utilizes your own body weight as resistance to create full body strength. This class is suitable for all levels.

## **Flow Fit: Max registration 25**

FlowFit is a mind-body experience designed to restore balance, mobility, and strength. This class blends functional movement, fluid mobility flows, and deep core strengthening with mindfulness and breathwork for the ultimate reset. Each session begins and ends with intentional breathwork to reduce stress, enhance focus, and bring the body into alignment—both physically and mentally. FlowFit is restorative yet challenging, leaving you feeling more open, balanced, and recharged. Whether you want to improve mobility, prevent injury, or simply carve out time for yourself, FlowFit helps you move better, feel stronger, and reset from the inside out

## **Caribbean Rhythms Max Registration: 25**

Experience the vibrant energy of Latin America dancing through a fusion of rhythms born in Colombia and enriched by the meeting of cultures from around the world. This dance journey will explore cumbia, salsa, merengue, bachata, and champeta—styles that have spread across Latin America and beyond, uniting people through movement. Each class blends dance, music, and cultural storytelling, creating an uplifting space for connection and self-expression. Designed for all levels, the focus is on fun, freedom, and fitness—no previous dance experience needed. Just bring comfortable clothing, a love for music, and the energy to move to the beat.

## **Active Yoga: Max registration 25**

An active yoga flow with a combination of styles concentrating on flexibility and reducing the risk of injury.

## **Chair Yoga: Max registration 20**

A gentle form of yoga that can be done sitting on a chair or standing on the ground while using the chair for support.

## **Gentle Yoga: Max registration 25**

A slowed down yoga class including long holds, deep breaths, and meditation. Learning to flow with the mind body and soul. Moving at a steady pace.

Schedule

## Boot Camp: Max registration 20

This circuit style class encourages you to challenge your endurance, strength, and will power! Each class incorporates a variety of tools and training techniques to help you become your best self.

## Cycle: Max registration 25

An energetic cardio-based class designed to increase endurance and build lean muscle mass. This class will deliver the most cardio in the least amount of time.

## Cycle & Core: Max registration 25

Get the best of both worlds in this energizing class! You'll start with an indoor cycling session designed to build endurance, burn calories, and boost cardiovascular fitness through motivating music and instructor-led intervals. Then, move off the bike for a focused core workout that strengthens and stabilizes your abdominals, lower back, and glutes.

## Cycle & Strength: Max Registration 25

This class combines the best of cardio and strength! Begin with an energizing cycling session to elevate your heart rate and build endurance. Midway through, transition off the bike for a strength-training segment using weights to target major muscle groups, then finish strong with a balance of both. This dynamic workout boosts cardiovascular health, builds strength, and keeps your routine engaging.

## HIIT Circuit: Max registration 20

A Circuit Class is a versatile, full-body workout that involves rotating through a series of exercise stations, each targeting different muscle groups. Participants perform various exercises, such as strength training, cardio, and core work, for a set time before moving to the next station.

## Glutes & Core: Max Registration 20

This class is 45 minutes of focused exercises that really engage the entire core, working every section of your abdominal muscles AND targeting the posterior chain muscle groups, specifically the gluteus maximus, gluteus medius, and gluteus minimus.

## Total Tone: Max Registration 25

YMCA Total Tone is a dynamic 30-minute workout designed to activate, strengthen, and stabilize. Blending the precision of barre, the intensity of core training, and the benefits of functional strength work, this low-impact yet powerful class enhances mobility, balance, and control. Move to the beat with fluid, rhythmic sequences using light weights and versatile props to challenge your muscles in new ways. Suitable with or without shoes, Total Tone is the perfect complement to your cardio routine or a transformative standalone session, leaving you feeling strong, centred, and energized.

## Pilates: Max registration 25

A mat-based class that gently strengthens your entire body with a focus on deep core strength. Proper body alignment and breathing is emphasized to create a strong mind body connection.

## Pilates Strength: Max Registration 25

Not a lot of time but looking for a class that delivers a solid workout during your lunch break? This class combines Pilates-inspired exercises with other low-impact strengthening exercises that target the whole body, with a special focus on overall stability, mobility, and core engagement.

## AQUATIC CLASSES Aqua Fit: Max Registration 35

This aqua class is best done in shallow to mid deep water. Emphasis is on cardiovascular conditioning and muscle strengthening. This class is performed in the lap pool and is designed to keep you moving for the duration of the class.

## Aqua Lite: Max Registration 25

This aqua class is performed in the warmer waters of our leisure pool and is light to moderate in intensity
