Arriba: This fun class is a dance-based fitness party! Suitable for all levels, this class is sure to make you sweat, strengthen the lower body, and improve overall balance while you move your hips and feet to the beat.

Aquafit: A full-body workout using water resistance, pool noodles, and paddles to boost heart rate and strengthen muscles. Ideal for all, it supports joints and body weight for a low-impact exercise.

Cardio & Core: Get ready to boost your fitness in this high-energy class that enhances cardiovascular endurance and core strength. With diverse tools and techniques, it's suitable for all fitness levels, offering modifications to match your pace and challenge you!

Chair Fit: A mix of resistance training, balance, flexibility, and just enough cardio to get your blood pumping.

Chair Yoga: A gentle class designed to increase your flexibility, strength, balance, and peace of mind. It will feature a blend of standing and seated yoga postures.

Cycle: An energetic cardio-based class designed to increase endurance and build lean muscle mass. This class will deliver the most cardio in the least amount of time.

Cycle & Strength: Combine high intensity cycling drills with total body strengthening exercises. This is an ideal total body workout.

Functional Fit: This class targets upper body and core, sculpting lean muscle with challenging exercises and multiple intensity levels to achieve muscle fatigue.

Gentle Fit: A go-at-your-own-pace class geared to those with arthritis, osteoporosis and hip and knee replacement.

Gentle Yoga: A slowed down yoga class including long holds, deep breaths, and meditation.

CHILDMINDING HOURS:

Drop the kids off and enjoy some YOU time!
Ages 3 months to 5 years

Monday to Saturday 9am-12pm
Monday to Thursday 5:30-7:30pm

Hydrotherapy: This class will help with joint mobility by using gentle functional movement exercises. Spinal stabilization and postural awareness are the main objectives of this class. Great for arthritis, mobility issues and joint replacements.

Mindful Muscle: Combines deep breathing, yoga, cardio, strength, core, flexibility, and balance for a total body workout. Chairs are used in this class making it suitable for all levels. This class will leave you feeling calm and strong!

Pilates: A mat-based class that gently strengthens your body with a focus on deep core strength. Proper body alignment and breathing is emphasized to create strong mind and body connection.

Strength Fit: Low in complexity but high in results, this class is solely focused on building lean muscle mass. A pure muscle workout, no cardio required.

Yoga: Focused on strength-building and endurance. Look forward to a flow of asanas that is also heat-creating, while practicing flexibility and balance. Each class begins with a brief mindfulness meditation that incorporates a different pranayama discipline week.

Zumba: A fusion of Latin, international and everyday music, this class will have you moving in ways you never imagined! Ditch the workout and join the party.

Cycle and TRX: Using your own body weight with the TRX suspension trainer in off cycle exercises to enhance the cardio component of the Cycle class.
